### **NSSF BSA Challenge Grant 2018**

National Shooting Sports Foundation (NSSF) has created a [challenge grant](#) program specifically for local Boy Scouts of America (BSA) Councils with shooting sports programs. Challenge grant funds should reflect planning to strengthen and increase BSA Council activities in firearms shooting sports and a commitment to the advancement of knowledge, understanding and firearms safety.

Please fill out the following application and the "[BSA Grant Worksheet](#)" then submit them to me via email or the address below.

Thank you and Happy Scouting!

---

*\*Suggestions for additional opportunities can be hosting an **NSSF First Shots** event and/or participating in **National Shooting Sports Month** in August by scheduling a fun event that attracts current scout members, their families and friends! First Shots is a great program to introduce people within the community, including current scout members families to the shooting sports. For more information on how your council can get involved in either of these initiatives, contact Ann Gamauf at [agamauf@nssf.org](mailto:agamauf@nssf.org) or 203-426-1320 x247*

3. Budget description: Complete “**BSA Grant Worksheet**” and submit with this application.

4. Grant funds requested (maximum \$2,000):\_\_\_\_\_

5. Total amount of money you are expecting to spend at an

NSSF member retailer:\$\_\_\_\_\_

*BSA Council Challenge Grant funds must be used to buy necessary shooting sports supplies or equipment (ex: ammunition, eye/ear protection, firearms, targets, etc...) from an NSSF member retailer of your choice. More than one member retailer may be used.*

For a list of retail members in your area, go to <https://www.nssf.org/retailers/where-to-buy/>. Please choose the retailer(s) you plan to use to purchase the supplies and/or equipment you need and list below:
