First Shots Program Benefits:

Please list the total number of First Shots events and the event dates held since awarded the grant and the total number of participants that were introduced through these introductory experiences:

Please provide a description of how you spent the grant money, including a list of all expenses and attach copies of your receipts when submitting your Final Report Form:

Please tell us how you advertised and marketed your First Shots events and what you found to be the most effective channels:

We're always looking for good examples of how ranges are attracting people to their First Shots events. Please include any promotional communications such as flyers/ads, social media posts, radio ad scripts, TV ads, etc. your range used to help get the word out about your First Shots event offerings when submitting your Final Report Form to Ann Gamauf at agamauf@nssf.org.
