Notes: This information is accurate as of Feb. 1, 2013. However, these fees are subject to frequent change. Also, in some cases local law enforcement agencies may impose additional fees not listed here. The cost of initial application for permits has been provided.

In most instances, the cost to renew an existing permit is less.

¹ A full POC State has a state-designated agency who is responsible for processing all NICS background checks on behalf of the federal firearm licensees (FFLs) within their state. There are currently 13 full POC States.

² A partial POC state has a state-designated agency that is responsible for handling either all handgun or handgun permit background checks while the FBI processes checks relative to long gun sales. Currently, there are 7 partial POC states.
