Dear PAC members,

On behalf of the National Shooting Sports Foundation® Political Action Committee (NSSF® PAC), I am pleased to present our 2019 Year in Review. This report reflects political activity, financial highlights and overall engagement throughout both the calendar year and election cycle.

We strive to provide a level of transparency to our members and we take pride in the critical work the NSSF PAC does on behalf of the firearm and ammunition industry.

In 2019, the NSSF PAC received an unprecedented amount of support during a non-election year, in preparation for the pivotal presidential election ahead.

Your leadership and investment in the NSSF PAC during the past 10 years has served a critical role in making the voice of the industry heard in Washington, D.C.

In this report, I invite you to take a look at what the NSSF has accomplished in the last 10 years. As we prepare for the 2020 elections, the NSSF PAC looks forward to working to elect more pro-industry, pro-hunting, pro-sportsman, and Second Amendment allies to join us in Washington, D.C.

Sincerely,

Lawrence G. Keane
PAC Treasurer
National Shooting Sports Foundation

The NSSF PAC hosted over two dozen shooting events for members of Congress throughout the year. The fundraising events helped garner much-needed financial resources for congressional allies of the industry, while also providing an opportunity to feature products from member companies, promote the hunting and shooting sports, introduce the sport to new participants, and discuss the legislative priorities of the industry.

Thanks to NSSF’s leadership, several legislators have made these shoots annual traditions for their campaigns. We look forward to more opportunities to educate legislators and recruit new shooters!

100% of contributions made to the NSSF PAC goes directly toward pro-industry, pro-hunting and shooting sports, pro-Second Amendment candidates for federal office. For more information about the NSSF PAC, please contact nssfpac@nssf.org.

Our mission: ONE INDUSTRY, ONE VOICE.
The NSSF PAC is the federal, multi-candidate political action committee of the National Shooting Sports Foundation. The NSSF PAC supports candidates for federal office who promote the priorities of the firearm and ammunition industry, protect the Second Amendment and preserve our hunting and shooting sports traditions.

THANK YOU for making our mission possible.

HOW TO GET INVOLVED

In order for corporate members of NSSF to receive information about the NSSF PAC, we are required by federal law to obtain prior approval authorization on an annual basis.

Please take a moment to complete the prior approval form, including the list of your company’s “executive and administrative personnel,” which the law defines as salaried employees who have policymaking, managerial, professional, or supervisory responsibilities (but not foremen or line supervisors).

Providing prior approval simply permits NSSF to send PAC materials and announcements to company executives and administrative (supervisory) personnel you identify. It doesn’t obligate them to make any contribution to the NSSF PAC. Any and all contributions would be purely on a voluntary basis. Your executive and administrative personnel are free not to make any contributions. You may also condition your consent any way you like.

Providing prior approval to the NSSF PAC doesn’t limit or restrict your own company’s PAC (if you have one) from soliciting contributions from your own employees. However, a corporation can only give prior approval to one trade association PAC each calendar year.
